

Add 15 CCR § 2275 to read as follows:

§ 2275. Implementation of Penal Code section 3000.1

- (a) General. When parole is revoked for any prisoner sentenced under Penal Code section 1168 for any offense of first or second degree murder with a maximum term of life imprisonment, the prisoner shall be given a hearing as provided in Penal Code sections 3041.5 and 3041.7 within 12 months of the date of any revocation of parole to consider the release of the inmate on parole.
- (b) Panel. This hearing shall be conducted by a two person panel comprised of one commissioner and one deputy commissioner.
- (c) Disposition. At this hearing, the panel shall release the prisoner within one year of the date of the revocation, unless it determines that the circumstances and gravity of the parole violation are such that consideration of the public safety requires a more lengthy period of incarceration, or unless there is a new prison commitment following a conviction. If the panel concludes that a more lengthy period of incarceration is warranted, then notwithstanding the provisions of paragraph (2) of subdivision (b) of section 3041.5, there shall be annual parole consideration hearings thereafter, unless the person is otherwise ineligible for parole release.
